

Safeguarding – General Information

The safeguarding guidance and policies accessible on our website have been derived from source material from the LTA. Whilst the wording has a bias towards managing a tennis facility the safeguarding guidelines and policies are quite generic and as such they will be applied and upheld across all sections/activities that take place within Broughton and District Club.

Various sports associations have their own safeguarding guidance and we should consider these alongside our own. You can access the known activity specific guidance as follows:

Crown Green Bowls - <https://www.bcgba.org.uk/safeguarding-2>

Badminton: <https://www.badmintonengland.co.uk/about-us/safeguarding>

Our Tennis guidance can be accessed via
